## MEMORIAL MEDALLION OF HONOR

## WE HONOR OUR CLERGY & EDUCATORS

Every day, our church family benefits from the sacrificial dedication of our clergy, educators and chaplains. They guide us, teach us, and comfort us with the wisdom, knowledge and compassion of our Lord Jesus Christ. As an expression of our appreciation for their service, our church would like to honor those beloved who have passed away with a Memorial Medallion of Honor. We honor them because their exemplary lives honored Christ.

## THE MEDALLION OF HONOR

### WHY A MEDALLION OF HONOR?

To “honor” is to show respect and appreciation, to recognize a person’s achievement and character. Those who have served our Church as clergy and educators have done so with lives which honored Christ. *So just as we honor their lives, we honor the Lord whom they served, and in whose power they served.*

There are two versions of the brass Medallion which bears either the inscription. “Seventh-day Adventist Clergy” or “Seventh-day Adventist Educator.” In the center is our Church logo of the word of God, a cross and flames, and below that are the words, ‘Til He Comes” signifying our hope is in the return of our risen Lord Jesus Christ.

The Medallion can be affixed to a cemetery grave marker or placed on display in your home as a perpetual testament to a loved one’s service and our hope in the second coming of Christ.

## THE RECIPIENTS

The Memorial Medallion of Honor is available to clergy and educators who served the Seventh-day Adventist Church, as well as those who served as Seventh-day military, hospital and prison chaplains.

The Medallion comes with a Certificate which may be presented by an administrator at the funeral or memorial service.
