

THE NORTH AMERICAN DIVISION
OFFICE OF EDUCATION AND
VERSACARE ARE PLEASED TO BE
PARTNERING TO OFFER—

STEM TUESDAYS

Each week there will be exciting STEM lessons from Adventist Educators for your students.

Watch for monthly fliers to announce the topics and the materials you will need to gather for your students to participate in hands on STEM experiences.

We are targeting a grade band each week so all our NAD students can be involved. You can also invite your friends who do not attend Adventist schools to join us for spiritual themed STEM activities.

**SEPTEMBER 2021 –
MAY 2022**

WEEK 1
